A MESSAGE FROM MAYOR ANNETTE IAFALLO – COVID-19 TEST KIT & MASK DISTRIBUTION TUESDAY, JANUARY 11TH AT THE LACKAWANNA SENIOR CENTER

Through the efforts of County Executive Mark Poloncarz and our partners in Erie County Government, a limited supply of Covid-19 tests kits and KN-95 protective face masks have been made available for distribution to Lackawanna residents.

We will be distributing the test kits and masks on a first-come basis, WHILE SUPPLIES LAST, at the Lackawanna Senior Center, located at 230 Martin Road, on Tuesday, January 11th.

This will be a drive-through only distribution from 9:30 AM -11:30 AM and 1:30 PM – 4:30 PM.

In an effort to provide these supplies to as many Lackawanna residents as possible, there will be a limit per vehicle of 1 test kit box (which contains 2 tests) and 5 masks. Due to the limited supplies available, we cannot make any exceptions.

Thank you to County Executive Poloncarz and our partners in Erie County Government for providing these supplies to Lackawanna residents and for their efforts to control the spread of Covid-19.

As always, stay safe. And God bless.

Annette
